# **FULL LENGTH SIZING DIES REDDING 300 WINCHESTER MAGNUM Safety Instruction Guide**

## **Introduction**

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 300 WINCHESTER MAGNUM. This guide provides important safety information and instructions to ensure the safe use of this product. Please read through the entire document before using the product.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- If you suspect that the product is damaged or malfunctioning, discontinue use immediately.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check the EU Safety Gate platform for any recall updates related to this product.

## **Specific Safety Precautions for Use**

- Wear appropriate safety gear, such as safety glasses and gloves, when using the sizing dies.
- Handle all reloading components with care to avoid accidents.
- Ensure that the workspace is clean and free from obstructions.
- Avoid distractions while using the product to maintain focus.
- Use a headspace gauge when setting up the sizing die to ensure proper fit and safety.
- Do not exceed the recommended load specifications for the cartridge.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools and components, including the sizing die, decapping assembly, and expander ball.
- Ensure that your reloading press is securely mounted and in good working condition.

### **2. Installation of the Sizing Die**

- Unscrew the sizing die from its packaging.
- Insert the sizing die into the reloading press and tighten securely.
- Attach the decapping assembly and expander ball according to the manufacturer's instructions.

### **3. Setting Up the Die**

- Use a headspace gauge to measure the cartridge case length.
- Adjust the sizing die to achieve the desired depth of sizing.
- Ensure that the die is properly aligned with the press.

### **4. Reloading Process**

- Place a cartridge case into the reloading press.
- Pull the handle to size the case fully, including the neck and body.
- Inspect the resized case for any defects before proceeding to the next step.

## 5. **PostUse Care**

- Clean the sizing die after use to remove any debris or residue.
- Store the dies in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for specific disposal guidelines related to reloading components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FULL LENGTH SIZING DIES REDDING 300 WINCHESTER MAGNUM, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with the FULL LENGTH SIZING DIES REDDING 300 WINCHESTER MAGNUM. Thank you for prioritizing safety in your reloading practices.
