# Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING 22 HORNET FULL LENGTH SIZING DIE

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 22 HORNET FULL LENGTH SIZING DIE. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the die to ensure your safety and the safety of others.

## General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure that the die is used in a wellventilated area.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die for any damage before use. Do not use if damaged.
- Follow all local regulations regarding the use of reloading equipment.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when working with reloading equipment.
- Ensure that the workspace is clean and organized to avoid accidents.

## Specific Safety Precautions for Use

- Only use the FULL LENGTH SIZING DIES REDDING 22 HORNET FULL LENGTH SIZING DIE with the specified cartridge (22 Hornet).
- Do not exceed the recommended load limits when reloading ammunition.
- Always use a headspace gauge when setting up the die to ensure proper sizing.
- Avoid direct contact with the die's decapping assembly and expander ball during operation to prevent injury.
- Store the die in a dry and secure location when not in use to prevent damage and unauthorized access.
- If you experience any malfunctions or unusual behavior during use, stop immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the die.
- Securely mount the die in the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height for proper cartridge sizing.
- Ensure that the decapping assembly and expander ball are correctly installed.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die and ensure it is properly aligned.
- Operate the reloading press to size the cartridge. Apply steady pressure without forcing the operation.
- Remove the sized cartridge from the die and inspect it for proper sizing.
- Repeat the process for additional cartridges as needed.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not throw the die in regular household waste. Check with local waste management authorities for proper disposal methods.
- Ensure that any packaging materials are disposed of responsibly and can be recycled if applicable.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FULL LENGTH SIZING DIES REDDING 22 HORNET FULL LENGTH SIZING DIE, please consult the manufacturer's website or contact their support team directly. They will provide assistance and address any safety concerns you may have.

Thank you for prioritizing safety while using the FULL LENGTH SIZING DIES REDDING 22 HORNET FULL LENGTH SIZING DIE. Your attention to these guidelines helps ensure a safe and effective reloading experience.
