# FULL LENGTH SIZING DIES REDDING 308 WINCHESTER Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 308 WINCHESTER. This guide provides essential safety instructions and usage information to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the dies are used only for their intended purpose: sizing 308 Winchester cartridges.
- Always follow the manufacturer's instructions for setup and operation.
- Keep the dies and all associated tools out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of damage or wear. Do not use damaged equipment.
- If you experience any issues during use, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when operating reloading equipment.
- Handle all components with care to avoid injury.
- Use a headspace gauge when setting up the sizing die to ensure proper fit and safety.
- Do not exceed recommended load specifications when reloading ammunition.
- Store dies and reloading components in a cool, dry place to prevent deterioration.
- Ensure that your workspace is clean and organized to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation of the Die:

- Ensure that your reloading press is securely mounted.
- Insert the FULL LENGTH SIZING DIE into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

### 2. Decapping Assembly and Expander Ball:

- Ensure the decapping assembly is correctly installed and functioning.
- Check that the expander ball is properly positioned for smooth operation.

### 3. Sizing the Cartridge:

- Place a cartridge case into the shell holder of the press.
- Pull the handle down to size the case fully.
- Check the case dimensions with a headspace gauge to ensure proper sizing.

### 4. PostUse Care:

- Clean the dies after each use to prevent rust and residue buildup.
- Store the dies in a protective case to avoid damage.

## Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local waste disposal regulations.

- Do not discard dies in regular household waste. Check for recycling options available in your area.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact your local dealer. Always ensure that you have access to updated safety information and product recalls.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the FULL LENGTH SIZING DIES REDDING 308 WINCHESTER. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important safety measures.
