

MATCH TARGET 6MM (0.243") BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 108GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger Boat Tail Target Bullets are often used by competitive benchrest shooters who seek the highest accuracy possible. Boat Tail Target Bullets are often used beyond mid-range distances out to 600 yards or more. Berger Boat Tail Target bullets are match-grade quality and utilize a tangent ogive bullet design which makes these very easy to load, tune and shoot. Highly accurate, the Boat Tail Target uses J4 Precision bullet jackets for construction. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances.

Safety Instruction Guide for MATCH TARGET 6MM (0.243") Boat Tail Bullets

Introduction

Thank you for choosing the MATCH TARGET 6MM (0.243") Boat Tail Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand these guidelines before using the bullets to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are of legal age and have the necessary permits to purchase and use ammunition in your jurisdiction.
- Always handle bullets and ammunition with care, treating them as potentially dangerous items.
- Store bullets in a cool, dry place away from direct sunlight and out of reach of children.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Regularly check for any recalls or safety updates regarding this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for loading and shooting.
- Do not exceed the recommended load specifications when using these bullets.
- Ensure your firearm is in good working condition and compatible with the 6MM (0.243") caliber before use.
- Avoid using damaged or deformed bullets, as they may cause malfunctions or accidents.
- Be aware of your surroundings and ensure a safe shooting environment, free from obstructions and bystanders.
- Do not point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

• Loading the Bullets:

- Ensure your firearm is unloaded before loading.
- Follow the specific loading instructions for your firearm's make and model.
- Use a reliable scale to measure the powder charge accurately.

• Shooting:

- Check that the shooting range is safe and that you have the necessary permissions.
- Always use the appropriate shooting stance and hold your firearm securely.
- After firing, wait a few moments before checking the target to ensure no further rounds are chambered.

• Cleaning:

- Clean your firearm regularly according to the manufacturer's instructions to maintain optimal performance and safety.
- Dispose of any used or damaged bullets safely and in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste disposal regulations.
- Do not throw bullets in regular trash; contact your local waste management facility for proper disposal methods.
- Ensure that all spent casings and bullet remnants are collected and disposed of responsibly to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding the safety or use of the MATCH TARGET 6MM (0.243") Boat Tail Bullets, please contact the manufacturer or your local dealer for assistance.

By following these safety guidelines, you can help ensure a safe and enjoyable experience with your MATCH TARGET 6MM (0.243") Boat Tail Bullets. Always prioritize safety and responsible usage. Thank you for your attention to these important instructions.
