

# VLD HUNTING 6MM (0.243") VLD BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 95GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Hunting bullet line is proving to be the most lethal big game hunting bullets available. All of the Berger Hunting bullets are made in the VLD design. The VLD design incorporates a sharp nose that allows the bullet to penetrate 2" to 3" before it starts to expand. After the bullet starts to expand it will shed 40% to 85% of its weight as shrapnel into the surrounding tissue (internal organ). The combination between the shrapnel and the hydrostatic shock produces a massive wound cavity within the vital area (internal organs) that will be 13" to 15" long. This massive wound cavity results in the animal dropping fast since most go into shock after such a tremendous blow. Those animals that don't go down immediately will soon succumb to blood pressure loss and/or organ failure producing a quick ethical kill. Berger bullets don't poke through like an arrow (high weight retention, deep penetration bullets) but instead dump their energy where it is most effective, inside the animal. Using the Berger VLD will result in an animal that goes down fast so you can enjoy the results of your hunt without having to track the wounded animal after the shot.

## Attributes

- Name: [BERGER BULLETS 6MM \(0.243"\) 95GR VLD BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749004427
- Mfr. No.: 24527
- Ballistic Coefficient (G1): 0.434
- Ballistic Coefficient (G7): 0.233
- Brand Style: VLD Hunting
- Bullet Style: VLD Boat Tail
- Bullet Weight (Grains): -
- Caliber: 6mm,243 Caliber
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 95
- Quantity: 100
- Delivery weight: 0.658kg
- Shipping height: 42mm
- Shipping width: 84mm
- Shipping length: 86mm
- UPC: 679459245272

# Safety Instruction Guide for VLD Hunting 6MM (0.243") VLD Boat Tail Bullets

## Introduction

Thank you for choosing the VLD Hunting 6MM (0.243") VLD Boat Tail Bullets by Berger Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all users of this product are knowledgeable about safe handling and shooting practices.
- Always use the bullets in accordance with the firearm manufacturer's specifications.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates via the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Confirm that your firearm is in good working condition and is compatible with the 6MM (0.243") caliber.
- Do not exceed the recommended maximum load for your firearm as specified by the manufacturer.
- Avoid using damaged or corroded bullets.
- Do not attempt to modify or disassemble the bullets.
- Only use bullets for their intended purpose: hunting or target shooting.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before installing bullets.
- Follow the firearm manufacturer's instructions for loading ammunition.
- Insert the VLD bullets into the firearm's magazine or chamber as per the guidelines.

### 2. Usage:

- Always point the firearm in a safe direction when loading or unloading.
- Check your target and beyond before firing to ensure safety.
- Fire only when you are sure of your target and what lies beyond it.
- After firing, check for any signs of misfires or malfunctions and follow the appropriate procedures.

## Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the VLD Hunting 6MM (0.243") VLD Boat Tail Bullets, please reach out to your local dealer or the manufacturer directly. Ensure you have the product details ready for a more efficient support experience.

Thank you for following these safety instructions. Your safety and the safety of others is paramount when using ammunition. Enjoy your hunting experience responsibly!
