

VLD HUNTING 6MM (0.243") VLD BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 105GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Hunting bullet line is proving to be the most lethal big game hunting bullets available. All of the Berger Hunting bullets are made in the VLD design. The VLD design incorporates a sharp nose that allows the bullet to penetrate 2" to 3" before it starts to expand. After the bullet starts to expand it will shed 40% to 85% of its weight as shrapnel into the surrounding tissue (internal organ). The combination between the shrapnel and the hydrostatic shock produces a massive wound cavity within the vital area (internal organs) that will be 13" to 15" long. This massive wound cavity results in the animal dropping fast since most go into shock after such a tremendous blow. Those animals that don't go down immediately will soon succumb to blood pressure loss and/or organ failure producing a quick ethical kill. Berger bullets don't poke through like an arrow (high weight retention, deep penetration bullets) but instead dump their energy where it is most effective, inside the animal. Using the Berger VLD will result in an animal that goes down fast so you can enjoy the results of your hunt without having to track the wounded animal after the shot.

Attributes

- Name: [BERGER BULLETS 6MM \(0.243"\) 105GR VLD BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749004428
- Mfr. No.: 24528
- Ballistic Coefficient (G1): 0.545
- Ballistic Coefficient (G7): 0.278
- Brand Style: VLD Hunting
- Bullet Style: VLD Boat Tail
- Caliber: 6mm,243 Caliber
- Diameter (Breech): 0.243
- Diameter (in): 0.243
- Grain: 105
- Quantity: 100
- Delivery weight: 1.179kg
- Shipping height: 41mm
- Shipping width: 84mm
- Shipping length: 86mm
- UPC: 679459245289

Safety Instruction Guide for VLD Hunting 6MM (0.243") VLD Boat Tail Bullets

Introduction

Thank you for choosing the VLD Hunting 6MM (0.243") VLD Boat Tail Bullets by Berger Bullets. These bullets are designed for big game hunting, providing exceptional performance and effectiveness. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from children and unauthorized individuals.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling and using firearms.
- Follow all local laws and regulations regarding the use and transportation of ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use damaged or defective bullets. Inspect them before use.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 6MM (0.243") ammunition before use.
- Always follow the manufacturer's instructions for loading and firing your firearm.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using bullets that show signs of corrosion, damage, or alteration.
- Never mix different types of ammunition.
- Use only in designated shooting areas or hunting environments.

Instructions for Installation and Usage

1. Loading the Bullets:

- Carefully open the box of VLD Hunting bullets.
- Inspect each bullet for damage or defects before loading.
- Load the bullets into the appropriate cartridge cases according to the firearm manufacturer's specifications.
- Ensure that the bullets are seated properly to avoid misfires.

2. Firing the Bullets:

- Position yourself in a stable shooting stance.
- Aim at the target while ensuring a clear line of sight and a safe backstop.
- Follow proper firearm safety protocols when firing, including keeping your finger off the trigger until ready to shoot.
- Fire the bullet while maintaining control of the firearm.

3. PostFiring:

- After firing, ensure the firearm is safely unloaded before handling.
- Inspect the firearm and ammunition for any signs of malfunction or damage.
- Clean your firearm according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging or website.

By following these safety instructions, you can ensure a safer and more enjoyable experience while using VLD Hunting 6MM (0.243") VLD Boat Tail Bullets. Always prioritize safety and compliance with local laws and regulations. Happy hunting!
