

# CLEANING RODS - DEWEY 20 CAL 32" CLEANING ROD - STAINLESS

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Dewey cleaning rods are a favorite with competition shooters in all disciplines. The coating on Dewey rods is tough and expertly applied. We include a jag and brush adapter (where needed) with all Dewey rods. We have added the 20 caliber rods recently - they are also the perfect rod for your .22 rimfire rifles. The .17 to .20 caliber rods are hardened, polished stainless steel and are not coated. Coated Rods - All Dewey rods for .22 caliber and up CENTER FIRE rifles are coated and male threaded. A jag and a brush adapter are included with each rod (.22 caliber jag with the .22 to 6.5 rods, .30 caliber with the .277 and up rods, .35 caliber with the .35 and up rods and .50 caliber with the .50 caliber rods. Stainless Rods - Dewey's .17 and .22 rimfire/.20 caliber center fire rods are female threaded uncoated stainless steel. The .17 caliber rods come with .17 caliber jag. The .22 rim fire/.20 caliber rods come with a .20 caliber jag that works for both types of cartridges. ROD LENGTHS DO NOT INCLUDE HANDLE.

# Safety Instruction Guide for Dewey 20 Cal 32" Cleaning Rod Stainless

## Introduction

Thank you for choosing the Dewey 20 Cal 32" Cleaning Rod. This product is designed for effective cleaning of firearms, specifically .22 rimfire rifles and .20 caliber center fire rifles. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This cleaning rod is designed to meet safety standards for nonfood products. Ensure you follow the instructions for safe usage.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please follow the instructions provided for a free remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children. Always supervise use.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform for timely updates.

## Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear safety glasses to protect your eyes from debris while cleaning.
- **Handling:** Handle the cleaning rod with care to avoid injury. Ensure your hands are dry to maintain a good grip.
- **Environment:** Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.
- **Storage:** Store the cleaning rod in a safe place, out of reach of children and pets.
- **Inspection:** Regularly inspect the cleaning rod for any signs of damage or wear before use. Do not use if damaged.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvents, a jag, and a brush adapter.

### 2. Attaching the Jag/Brush:

- Select the appropriate jag or brush adapter based on the caliber of your firearm.
- Attach the jag or brush to the end of the cleaning rod by screwing it into the male thread securely.

### 3. Cleaning Process:

- Apply a suitable cleaning solvent to the jag or brush.
- Insert the cleaning rod into the barrel from the breech end (if applicable).
- Gently push the rod through the barrel, ensuring not to force it. Pull it back out.

- Repeat this process as needed, using clean patches or brushes.

#### **4. PostCleaning:**

- After cleaning, remove the jag or brush from the rod.
- Clean the rod with a dry cloth and store it in a safe place.
- Dispose of used cleaning patches and solvents according to local regulations.

## **Disposal Instructions**

- Dispose of the cleaning rod in accordance with local regulations regarding metal waste.
- For any cleaning solvents or chemicals, follow the disposal instructions provided on the product packaging or contact local waste management authorities.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the Dewey 20 Cal 32" Cleaning Rod, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have your product details handy for reference.

Thank you for choosing Dewey products. We hope you enjoy safe and effective cleaning of your firearms.
