Safety Instruction Guide for SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 3006 SPRINGFIELD

Introduction

Thank you for choosing the Redding Small Base Body Die for 3006 Springfield. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle reloading equipment with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use.
- Use protective eyewear when operating reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** The Small Base Body Die is designed for precise sizing of cartridge bodies and shoulders. Improper use may lead to:
 - Firearm malfunction
 - Personal injury
 - Damage to the firearm
- **Avoiding Hazards:**
 - Never attempt to resize cases that are not compatible with the Small Base Body Die.
 - Ensure that the die is properly set up and secured in your reloading press before use.
 - Do not exceed the recommended resizing limits for the die.
 - Always follow the manufacturer's instructions for your specific reloading press.
- **Age Warning:** This product is not intended for use by individuals under the age of 18. Adult supervision is recommended when used by younger individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate die for the 3006 Springfield cartridge.
- Securely mount the Small Base Body Die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the correct position for resizing.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.

- Insert a cartridge case into the die.
- Operate the reloading press smoothly and steadily to resize the case.
- After resizing, remove the case and inspect it for any signs of damage.
- Repeat the process for additional cases as needed.

Disposal Instructions

- Dispose of any damaged or unusable reloading equipment in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries or further assistance regarding the Redding Small Base Body Die, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Proper use and care of your Redding Small Base Body Die will enhance your reloading experience and help ensure your safety.
