

# BODY DIES - REDDING BODY DIE 7MM REM SAUM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

## Attributes

- Name: [REDDING BODY DIE 7MM REM SAUM](#)
- Manufacturer: [REDDING](#)

# Safety Instruction Guide for BODY DIES REDDING BODY DIE 7MM REM SAUM

## Introduction

Thank you for choosing the BODY DIES REDDING BODY DIE 7MM REM SAUM. This product is designed to provide reliable performance in resizing cases for reloading ammunition. To ensure your safety and the effectiveness of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the specific reloading practices and safety measures relevant to your equipment.
- Keep all products out of reach of children and unauthorized persons.
- Regularly inspect your tools and dies for wear or damage before use.
- Follow all manufacturer instructions and safety warnings when using this product.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the BODY DIE only for its intended purpose: to fulllength resize the case body and bump the shoulder position.
- Never attempt to resize the neck of the case with this die; use a neck die for that purpose.
- Ensure that the die is properly secured in your reloading press before use.
- Always wear appropriate eye protection when reloading ammunition.
- Be aware of the potential for lead exposure when handling ammunition components; wash your hands thoroughly after use.
- Avoid using the die with cases that show signs of excessive wear or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the BODY DIE from its packaging.
- Inspect the die for any visible damage or defects.
- Securely install the die into your reloading press according to the manufacturer's instructions.
- Adjust the die to achieve the desired resizing effect, ensuring it is properly aligned with the press.

### 2. Usage:

- Prepare your cases by cleaning them thoroughly to remove any dirt or debris.
- Insert the case into the press and engage the BODY DIE to resize the case body.
- After resizing, check the shoulder position to ensure proper chambering.
- Follow up by running the resized case through a neck die to achieve proper neck tension.
- Store the die in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any damaged or worn reloading equipment in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Contact your local waste management facility for guidance on the proper disposal of hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BODY DIES REDDING BODY DIE 7MM REM SAUM, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these guidelines, you can ensure a safe and effective reloading experience. Thank you for your attention to these important safety measures.
