# Safety Instruction Guide for SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 308 WINCHESTER

## Introduction

Thank you for choosing the SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 308 WINCHESTER. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully before using the die to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Store the die in a dry, safe place when not in use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the die.
- Use gloves to protect your hands from metal shavings and sharp edges.
- Ensure that the die is securely attached to the reloading press before use.
- Avoid overtightening the die, as this may cause damage or malfunction.
- Do not modify the die in any way, as this may compromise its safety.
- Always follow the manufacturer's instructions for reloading ammunition.
- Do not use the die with cartridges that exceed the specified caliber (308 Winchester).

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Select the appropriate die and remove it from its packaging.
- Insert the SMALL BASE BODY DIE into the reloading press according to the manufacturer's instructions.
- Tighten the die securely, ensuring that it is properly aligned with the press.

### 2. Usage:

- Prepare your brass cases for resizing by cleaning them thoroughly.
- Insert a brass case into the shell holder of the reloading press.
- Slowly raise the ram of the press to engage the die with the case.
- After resizing, lower the ram and remove the case from the shell holder.
- Inspect the resized case for proper dimensions and any signs of damage.

## Disposal Instructions

- Dispose of any unused or damaged dies in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMALL BASE BODY DIE or its safety, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 308 WINCHESTER. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
