

# PRIMER POCKET UNIFORMERS - PRIMER SMALL POCKET UNIFORMER

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Uniformers](#)

Redding Primer Pocket Uniformers are precision ground carbide tools with five cutting flutes for smooth, flat uniforming of the bottom of the primer pocket. The shoulder ground in the carbide tool bit holds the depth of cut constant and to SAAMI specifications. Uniformers are available for large rifle pockets and small rifle/small pistol pockets. Each uniformer comes in a kit with the uniformer bit, a Redding accessory handle and a one fourth inch hex power screwdriver adapter.

# Safety Instruction Guide for Redding Primer Pocket Uniformers

## Introduction

Thank you for choosing the Redding Primer Pocket Uniformers. This guide provides important safety information, instructions for use, and contact details for further support. Please read this guide carefully to ensure safe and effective use of your uniformers.

## General Safety Guidelines

- Ensure the uniformers are used only for their intended purpose.
- Always inspect the tool before use for any signs of damage or wear.
- Keep the uniformers out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves during operation.
- Follow all local safety regulations and guidelines when using this product.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Sharp edges: The cutting flutes are sharp and can cause cuts.
  - Small parts: The uniformers contain small components that may pose a choking hazard.
- **Avoiding Hazards:**
  - Always handle the uniformers with care, keeping fingers away from cutting edges.
  - Do not use the uniformers if you are tired or under the influence of substances that may impair your judgment.
  - Ensure that the work area is clean and free from distractions.
- **Audience Specific Warnings:**
  - This product is not suitable for use by children. Adult supervision is required if used around minors.

## Instructions for Installation and Usage

- **Installation:**
  - Attach the uniformer bit securely to the Redding accessory handle.
  - Ensure the bit is properly aligned and tightened to prevent slipping during use.
- **Usage Instructions:**
  - Place the primer pocket securely in the uniformer.
  - Turn the handle gently and steadily to allow the cutting flutes to smooth the bottom of the primer pocket.
  - Maintain a consistent speed to ensure even uniforming.
  - After use, clean the uniformer to remove any debris or residue.

## Disposal Instructions

- Dispose of the uniformers in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding your Redding Primer Pocket Uniformers, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your safe and effective use of the Redding Primer Pocket Uniformers.
