

# LOCK-N-LOAD POWDER MEASURE STAND - HORNADY LOCK-N-LOAD FAST LOAD POWDER MEASURE STAND

[Reloading](#) > [Powder Handling](#) > [Measure Stands & Accessories](#)

The incredibly strong Fast-Load Powder Measure Stand has a rigid frame and extra long arm that lets you fill an entire 50-count Universal Loading Block. Accepts any measure with 7/8"-14 thread. Lock-N-Load Bushings: If you have more than one powder measure, you can switch them in and out of the Fast-Load stand in just seconds, using Lock-N-Load bushings. Long Reach: Lets you bench-mount the powder measure and still drop powder in the loading block.

# LOCKNLOAD POWDER MEASURE STAND SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Hornady LockNLoad FastLoad Powder Measure Stand. This product is designed to enhance your reloading experience by providing a stable and efficient way to measure and dispense powder. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The powder measure stand may cause injury if not used properly.
- Improper handling of powders can lead to fire hazards.

- **Avoiding Hazards:**

- Always use the stand on a stable and level surface.
- Do not exceed the recommended weight limit of the stand.
- Avoid using the stand near open flames or heat sources.
- Ensure that the powder measure is securely attached to the stand before use.

- **Age and AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are informed about the correct handling of reloading materials.

## Instructions for Installation and Usage

### 1. Installation:

- Place the FastLoad Powder Measure Stand on a stable, flat surface.
- Ensure that all components are intact and free from damage.
- Attach the powder measure to the stand using the 7/8"14 threaded connection, ensuring it is securely fastened.

### 2. Usage:

- To load powder, ensure the stand is stable and the powder measure is in a comfortable position.
- Use LockNLoad bushings if you have multiple powder measures to switch them in and out easily.
- Fill the loading block while ensuring the powder measure is positioned correctly to avoid spills.
- After use, clean the powder measure and stand to prevent residue buildup.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of powder or hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or support, please contact the designated EUbased contact point for this product. Ensure you have the product details available for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the Hornady LockNLoad FastLoad Powder Measure Stand.
