# Safety Instruction Guide for 454 CASULL BRASS STARLINE 454 CASULL BRASS 100/BAG

## Introduction

Thank you for choosing the 454 CASULL BRASS STARLINE 454 CASULL BRASS 100/BAG. This product is designed for use in reloading ammunition and is made from highquality brass. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always handle brass casings with care to avoid injury.
- Keep the product out of reach of children and unauthorized users.
- Ensure proper ventilation when working with ammunition components.
- Be aware of your surroundings and avoid distractions while using this product.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris.
- Use gloves to avoid skin contact with any chemicals or residues.
- Do not use damaged or deformed brass casings, as they may pose a risk during firing.
- Store brass casings in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and organized.
- Verify that you have all necessary tools and components for reloading.

### 2. Checking Brass Casings

- Inspect each casing for signs of damage or wear.
- Discard any casings that appear compromised.

### 3. Reloading Process

- Follow your specific reloading manual for detailed instructions on reloading 454 Casull ammunition.
- Use only recommended powders and primers compatible with 454 Casull brass.
- Ensure that all measurements are accurate to prevent overloading.

### 4. Final Inspection

- After reloading, inspect the completed cartridges for proper seating and crimping.
- Store completed ammunition in a safe and secure manner.

## Disposal Instructions

- Dispose of any damaged or unusable brass casings in accordance with local waste disposal regulations.
- Do not throw brass casings in regular trash; instead, consider recycling them if possible.

- Follow any specific guidelines provided by local authorities regarding hazardous materials.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding this product, please refer to the contact details provided with your product packaging or on the manufacturer's website.

By adhering to these safety instructions, you can ensure a safer experience while using the 454 CASULL BRASS STARLINE 454 CASULL BRASS 100/BAG. Thank you for prioritizing safety in your reloading practices.
