

# TRIPLE-SHOCK X 6.5MM (0.264") BULLETS - BARNES BULLETS TSX 6.5MM (0.264") BOAT TAIL 120GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## Attributes

- Name: [BARNES BULLETS TSX 6.5MM \(0.264"\) BOAT TAIL 120GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for TRIPLESHOCK X 6.5MM (0.264") BULLETS

## Introduction

Thank you for choosing the TRIPLESHOCK X 6.5MM (0.264") BULLETS by BARNES BULLETS. This safety instruction guide is designed to ensure the safe and effective use of this product. Please read this guide thoroughly before use to understand the potential hazards and safety precautions.

## General Safety Guidelines

- Ensure that you are of legal age and have the necessary permits to purchase and use ammunition.
- Always handle ammunition with care and store it in a secure, dry place away from children and unauthorized users.
- Use this product only in firearms that are specifically designed for 6.5mm (0.264") ammunition.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Regularly check for product recalls and safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Do not use this ammunition if it is damaged or if there are any signs of corrosion.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Do not mix different types of ammunition or use ammunition that is not recommended for your firearm.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure that the firearm is in a safe and unloaded condition before loading.
- Follow the manufacturer's instructions for your specific firearm when loading ammunition.

### 2. Firing the Ammunition:

- Confirm that the firearm is properly set up for shooting.
- Stand in a stable position and maintain control of the firearm.
- Aim at the target and gently squeeze the trigger to fire.

### 3. PostFiring Procedures:

- After firing, keep the firearm pointed in a safe direction and wait for a few moments to ensure that no further rounds will discharge.
- Unload the firearm according to the manufacturer's instructions.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not discard ammunition in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIPLESHOCK X 6.5MM (0.264") BULLETS, please reach out to your local BARNES BULLETS representative or authorized dealer. Ensure that you have all relevant product information on hand for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your TRIPLESHOCK X 6.5MM (0.264") BULLETS. Your safety is our priority.
