

PARTITION® 270 CALIBER (0.277) FLAT BASE SPITZER RIFLE BULLETS - NOSLER 270 CALIBER (0.277") 140GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

NOSLER® PARTITION 270 CALIBER (0.277") FLAT BASE SPITZER RIFLE BULLETS The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. FEATURES: Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER 270 CALIBER \(0.277"\) 140GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749004655
- Mfr. No.: 35200
- Ballistic Coefficient (G1): 0.432
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 270 Caliber
- Diameter (Breech): 0.277
- Diameter (in): 0.277
- Grain: 140
- Sectional Density: 0.261
- Quantity: 50
- Delivery weight: 0.476kg
- Shipping height: 48mm
- Shipping width: 64mm
- Shipping length: 94mm
- UPC: 054041352000

Safety Instruction Guide for Nosler® Partition® 270 Caliber (0.277") Flat Base Spitzer Rifle Bullets

Introduction

Thank you for choosing Nosler® Partition® 270 Caliber (0.277") Flat Base Spitzer Rifle Bullets. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks associated with handling and using these bullets.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms specifically designed for the caliber.
- Follow all local, state, and federal laws regarding the purchase, storage, and use of ammunition.
- Regularly inspect your ammunition for signs of damage or corrosion before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before handling or loading bullets.
- Use appropriate eye and ear protection when shooting.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded bullets.
- Do not modify or alter the bullets in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water to prevent ricochets.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure your firearm is unloaded.
- Follow the manufacturer's instructions for loading bullets into your specific firearm.
- Use a clean and dry reloading bench when handling bullets.
- Use only the recommended powder and primers for your load.

2. Shooting:

- Always point the firearm in a safe direction.
- Load the firearm only when you are ready to shoot.
- After shooting, check the firearm to ensure it is clear of obstructions.

3. PostShooting:

- Unload your firearm immediately after use.
- Clean your firearm according to the manufacturer's instructions to prevent corrosion and ensure safe operation.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Nosler® Partition® bullets, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details on hand when seeking support.

By adhering to these safety guidelines and instructions, you can ensure a safer experience while using Nosler® Partition® 270 Caliber (0.277") Flat Base Spitzer Rifle Bullets. Thank you for prioritizing safety.
