

PARTITION® 6.5MM (0.264") FLAT BASE SPITZER RIFLE BULLETS - NOSLER 6.5MM (0.264") 140GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

NOSLER® PARTITION 6.5MM (0.264") FLAT BASE SPITZER RIFLE BULLETS The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. FEATURES: Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER 6.5MM \(0.264"\) 140GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749004656
- Mfr. No.: 16321
- Ballistic Coefficient (G1): 0.490
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): -
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 50
- Delivery weight: 0.34kg
- Shipping height: 38mm
- Shipping width: 56mm
- Shipping length: 81mm
- UPC: 054041163217

Item details

Made in USA

Safety Instruction Guide for Nosler® Partition® 6.5MM (0.264") Flat Base Spitzer Rifle Bullets

Introduction

Thank you for choosing Nosler® Partition® 6.5MM (0.264") Flat Base Spitzer Rifle Bullets. This guide provides essential safety information to ensure the safe use of this product. Please read this document carefully before using the bullets to understand potential hazards and how to avoid them.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the bullets, adhering to all applicable laws and regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product through official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety standards.
- **Special Consumer Focus:** Extra caution is advised when the product is used around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, consult local regulations for appropriate contact points.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Age Restrictions:** These bullets are intended for use by individuals who are 18 years of age or older. Ensure that they are stored out of reach of children.
- **Proper Storage:** Store the bullets in a cool, dry place, away from direct sunlight and moisture.
- **Handling:** Always handle bullets with care. Avoid dropping or mishandling them to prevent damage.
- **Protective Gear:** When reloading or handling ammunition, wear appropriate protective gear, including safety glasses and gloves.
- **DistractionFree Environment:** Use the bullets in a safe, distractionfree environment to maintain focus and control.

Instructions for Installation and Usage

- **Compatibility:** Ensure that the rifle used is compatible with 6.5MM (0.264") bullets.
- **Reloading:**
 - Follow the manufacturer's reloading guidelines for optimal performance.
 - Use a reliable scale to measure powder charges accurately.
 - Ensure that all components are clean and free from debris before reloading.
- **Loading the Rifle:**
 - Open the action of the rifle and insert the loaded magazine.
 - Ensure that the bolt is closed securely before firing.
- **Firing:**
 - Always point the rifle in a safe direction.
 - Be aware of your target and what lies beyond it.
 - If a misfire occurs, keep the rifle pointed in a safe direction for at least 30 seconds before attempting to eject the cartridge.
- **PostUse Care:** After use, clean the rifle and store the bullets in their original packaging or a secure container.

Disposal Instructions

- **Disposal of Unused Bullets:** If you have unused bullets that need to be disposed of, contact your local waste management authority for guidance on proper disposal methods.
- **Do Not Incinerate:** Never attempt to burn or incinerate bullets, as this may cause an explosion.
- **Environmental Considerations:** Dispose of packaging materials in accordance with local recycling regulations.

Contact Information for Further Support

For any questions or concerns regarding the Nosler® Partition® 6.5MM (0.264") Flat Base Spitzer Rifle Bullets, please refer to the appropriate local authorities or consult the retailer for assistance. Always ensure that you are following local laws and regulations regarding ammunition and firearm use.

By adhering to these guidelines, you can ensure a safer experience while using Nosler® Partition® bullets. Thank you for your attention to safety.
