

MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS - SIERRA BULLETS, INC. MATCHKING 30 CALIBER (0.308") 155GR PALMA HPBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra created the 30 caliber 155 grain HPBT PALMA® to fill the long-range demands of the PALMA® and other long range shooters. The PALMA® bullet has a longer, more streamlined 9 caliber ogive, slightly longer OAL and a pointed meplat, which is a first for Sierra Bullets. While they are recognized around the world for record-setting accuracy, MatchKing® and Tipped MatchKing® bullets are not recommended for most hunting applications. Although MatchKing® and Tipped MatchKing® bullets are commonly used for varmint hunting, their design will not provide the same reliable explosive expansion at equivalent velocities in varmints compared to their lightly jacketed Hornet, Blitz or Varminter counterparts.

MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS by Sierra Bullets, Inc. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this guide thoroughly before using the bullets to understand the potential hazards and necessary precautions.

General Safety Guidelines

- Ensure that all users of this product are trained in safe handling and shooting practices.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection while handling or shooting.
- Follow all local laws and regulations regarding ammunition and shooting practices.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Bullets are designed for use in rifles only. Do not use in other types of firearms.
- Improper handling may result in accidental discharge or injury.
- Ensure that the firearm is in good working condition before use.

- **Avoiding Hazards:**

- Always treat every bullet as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Ensure the shooting area is clear of people and obstacles before firing.
- Do not use damaged or corroded bullets.
- Follow the manufacturer's specifications for loading and shooting.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that young or inexperienced shooters are supervised by a qualified adult.

Instructions for Installation and Usage

- **Installation:**

- Ensure you are in a safe environment when handling bullets.
- Follow the firearm manufacturer's instructions for loading ammunition.
- Inspect each bullet for damage before use.

- **Usage:**

- Load bullets carefully into the firearm, ensuring they are seated properly.
- Use only in firearms that are chambered for .308 caliber ammunition.

- Check the firearm's action and ensure it is clear before loading.
- Maintain a proper shooting stance and grip when firing.
- After shooting, ensure the firearm is unloaded and clear before handling or transporting.

Disposal Instructions

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact local authorities or hazardous waste disposal services for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional resources.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS. Always prioritize safety and responsible use.
