NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. **FEATURES:** Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [PARTITION 30 CALIBER \(0.308"\) FB SPITZER 150GR 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749004714
- Mfr. No.: 16329
- Ballistic Coefficient (G1): 0.387
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 150
- Sectional Density: 0.226
- Quantity: 50
- Delivery weight: 0.34kg
- Shipping height: 38mm
- Shipping width: 56mm
- Shipping length: 81mm
- UPC: 054041163293

Safety Instruction Guide for PARTITION® 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

Introduction

Thank you for choosing the Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product. It is important to follow these guidelines to minimize risks and enhance your overall experience with our bullets.

General Safety Guidelines

- Ensure the safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- If shopping online, be assured that the same safety protections apply as in physical stores.
- Extra safeguards are in place for vulnerable groups, including children.
- For any safety inquiries, contact an EU-based representative.
- Stay informed about unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Wear appropriate eye and ear protection when handling or firing firearms.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Inspect bullets for any signs of damage or corrosion before use.
- Do not attempt to modify or alter the bullets in any way.

Instructions for Installation and Usage

- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Before loading, check the firearm's chamber and magazine to ensure they are clear of obstructions.
- Load bullets according to the firearm manufacturer's instructions.
- When firing, maintain a proper shooting stance and ensure your target area is safe and clear.
- After firing, always check the firearm to ensure it is safe and clear before handling further.
- Dispose of any misfires or damaged bullets according to local regulations.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local hazardous waste disposal guidelines.
- Do not discard bullets in regular trash.
- Consult local authorities for proper disposal methods in your area.

Contact Information for Further Support

For any questions or concerns regarding safety, product usage, or disposal, please reach out to your local Nosler representative or consult the official Nosler website for additional resources.

By following these guidelines, you can help ensure a safe and enjoyable experience with the Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets. Thank you for your attention to these important safety measures.
