## Introduction

Thank you for choosing the RCBS Progressive Press Shellplate #25. This guide provides important safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure all users read and understand these safety guidelines before using the shellplate.
- Always use the shellplate in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shellplate for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the recommended RCBS standard shellholder to ensure proper fit and function.
- Do not exceed the recommended load capacities when using the shellplate.
- Avoid using the shellplate in wet or damp conditions to prevent corrosion and ensure safety.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the press.
- Ensure that your workspace is clean and free of obstructions to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the progressive press is turned off and unplugged before installation.
- Locate the shellplate holder on your progressive press.
- Align the shellplate #25 with the holder and securely attach it according to the manufacturer's instructions.
- Doublecheck that the shellplate is properly seated and locked in place.

### 2. Usage:

- Load the shellplate with the appropriate cases as per your reloading requirements.
- Operate the progressive press according to the manufacturer's guidelines, ensuring all safety precautions are followed.
- Monitor the operation closely for any unusual sounds or movements that may indicate a malfunction.
- After use, remove the shellplate and clean it to maintain optimal performance.

## Disposal Instructions

- Dispose of the shellplate and any associated materials in accordance with local regulations.
- Do not dispose of the shellplate in regular household waste if it is damaged or considered hazardous.
- Contact your local waste management authority for guidance on safe disposal methods.
