

# FULL LENGTH SIZING DIES - FULL LENGTH SIZING DIE, .270 WEATHERBY MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FULL LENGTH SIZING DIE, .270 WEATHERBY MAG](#)

# Safety Instruction Guide for Forster Full Length Sizing Die, .270 Weatherby Magnum

## Introduction

Thank you for choosing the Forster Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before using the die.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that you are familiar with the basic principles of reloading ammunition.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Use the die only for its intended purpose: resizing .270 Weatherby Magnum cases.
- Inspect the die and all associated equipment for damage before each use.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.

## Specific Safety Precautions for Use

- Handle the die with care to avoid injury from sharp edges.
- Ensure that the die is securely mounted in the reloading press before use.
- Do not exceed the recommended load specifications for the .270 Weatherby Magnum cartridge.
- Always check for proper alignment of the case with the die before resizing.
- Avoid using excessive force when operating the press; this can damage the die and cause injury.
- Do not leave the press unattended while in operation.

## Instructions for Installation and Usage

### 1. Installation of the Die:

- Remove the die from its packaging and inspect it for any damage.
- Clean the die with a lintfree cloth to remove any manufacturing oils.
- Securely mount the die in your reloading press according to the press manufacturer's instructions.
- Adjust the die to the desired height for resizing.

### 2. Using the Die:

- Prepare your brass cases by cleaning and inspecting them.
- Insert a brass case into the reloading press.
- Raise the ram to engage the case with the die.
- Slowly lower the ram to resize the case. Ensure that the die remains aligned with the case.
- After resizing, remove the case and inspect it for proper resizing.

### 3. PostUse Care:

- Clean the die after each use to prevent corrosion and maintain performance.
- Store the die in a safe, dry location away from moisture and dust.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Recycle materials where possible, following local recycling guidelines.
- Do not dispose of any reloading materials in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support related to the Forster Full Length Sizing Die, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Forster Full Length Sizing Die. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important guidelines.
