

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 30-06 SPRINGFIELD FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 30-06 SPRINGFIELD FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749004818

# **Safety Instruction Guide for Forster Products, Inc.**

## **3006 Springfield Full Length Sizing Die**

### **Introduction**

Thank you for choosing the Forster Products, Inc. Full Length Sizing Die for your reloading needs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die.

### **General Safety Guidelines**

- Ensure the die is used only for its intended purpose, which is to resize cartridge cases for 3006 Springfield ammunition.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the workspace clean and free from distractions to minimize the risk of accidents.
- Store the die in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. Do not use if any defects are found.
- Follow all local laws and regulations regarding ammunition reloading and safety.

### **Specific Safety Precautions for Use**

- Do not exceed the recommended load specifications for the 3006 Springfield cartridge.
- Avoid using damaged or worn cases, as they may cause malfunctions or unsafe conditions during reloading.
- Always ensure that the die is properly secured in the reloading press before use.
- Use the EZ Out Expander button as instructed to maintain case neck concentricity.
- Be cautious when handling live ammunition and ensure that the reloading area is free of any distractions or hazards.
- When using the die, do not place any body parts near moving parts of the reloading press.

### **Instructions for Installation and Usage**

#### **1. Installation:**

- Secure the Full Length Sizing Die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly using the Forster Cross Bolt Die Locking Ring to prevent movement during operation.

#### **2. Usage:**

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the case into the die and ensure it is positioned correctly.
- Slowly and steadily operate the reloading press to resize the case.
- After resizing, remove the case and check for proper dimensions and concentricity.
- Use the EZ Out Expander button to expand the neck of the case, ensuring alignment and support during the process.

### **Disposal Instructions**

- Dispose of any damaged or defective dies in accordance with local regulations.
- Do not discard the die in regular household waste. Check for local recycling programs that accept metal

products.

- Ensure that all reloading materials and components are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the Forster Products, Inc. Full Length Sizing Die, please refer to the manufacturer's official website or contact their customer support team for assistance.

Thank you for prioritizing safety while using the Full Length Sizing Die. Happy reloading!
