

FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. FULL LENGTH SIZING DIE, 6MM BR

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

Attributes

- Name: [FORSTER PRODUCTS, INC. FULL LENGTH SIZING DIE, 6MM BR](#)

Safety Instruction Guide for Forster Full Length Sizing Dies

Introduction

Thank you for choosing the Forster Full Length Sizing Die, 6MM BR. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Always keep the die out of reach of children and vulnerable individuals.
- Inspect the die for any damage or defects before use. Do not use if damaged.
- Follow all manufacturer instructions for setup and operation.
- Use the die only for its intended purpose as described in this guide.
- Wear appropriate safety gear, including safety glasses, when using the die.
- Ensure a clean and organized workspace to prevent accidents.
- Be aware of your surroundings and avoid distractions while using the die.

Specific Safety Precautions for Use

- Handle the die with care to avoid injury from sharp edges.
- Ensure that the die is securely attached to the reloading press before use.
- Use the EZ Out Expander button properly to maintain concentric case necks.
- Do not exceed the recommended load limits for the die.
- Avoid using excessive force when resizing cases to prevent damage to the die or injury.
- Always follow safe reloading practices, including wearing appropriate ear protection if using in a noisy environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Securely attach the die to the reloading press using the Forster Cross Bolt Die Locking Ring.
- Adjust the die to the desired position and tighten the locking ring to hold it in place.

2. Usage:

- Insert an empty case into the die.
- Use the EZ Out Expander button to expand the neck of the case, ensuring it is positioned correctly.
- Operate the reloading press smoothly and steadily to resize the case.
- Inspect the resized case for proper dimensions and concentricity before proceeding with loading.

3. PostUse:

- Clean the die after each use to remove any residue or debris.
- Store the die in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the die responsibly and in accordance with local regulations.
- If the die is damaged beyond use, consider recycling the metal components where applicable.

- Do not dispose of the die in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the Forster Full Length Sizing Die, please refer to the manufacturer's contact information provided on the packaging or the official Forster Products website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience when using the Forster Full Length Sizing Die. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
