

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 308 WINCHESTER FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing Forster Full Length Sizing Dies. These dies are designed to provide excellent quality and reliability for your reloading needs. To ensure your safety and the optimal performance of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that your workspace is clean and free from obstructions before starting.
- Keep all tools and components out of reach of children and pets.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Be aware of your surroundings and avoid distractions while using the dies.
- Regularly inspect the dies for wear or damage before each use.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die can lead to accidents or injuries.
- Always check for proper alignment before sizing cases.
- Ensure that the die is securely mounted in your reloading press to prevent accidents.

- **Avoiding Hazards:**

- Do not exceed the maximum recommended load specifications.
- Use only compatible cartridges with the sizing die.
- Never attempt to modify the die or its components.
- If you experience any unusual resistance while operating the die, stop immediately and inspect for obstructions.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that minors are educated on the safe handling and operation of reloading equipment.

## Instructions for Installation and Usage

- **Installation:**

1. Remove the die from its packaging and inspect it for any damage.
2. Securely mount the die in your reloading press according to the manufacturer's instructions.
3. Ensure that the Forster Cross Bolt Die Locking Ring is tightened properly to prevent movement during operation.

- **Usage:**

1. Prepare your cases by cleaning and inspecting them for defects.
2. Insert the case into the die and ensure it is seated properly.
3. Use the EZ Out Expander button to maintain concentricity during the neck expanding process.

4. Operate the press smoothly and steadily to size the case.
5. After sizing, carefully remove the case and inspect it for proper sizing.

## **Disposal Instructions**

- Dispose of any damaged or worn dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Forster Full Length Sizing Dies, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

Following these safety guidelines will help ensure a safe and effective reloading experience with your Forster Full Length Sizing Dies. Always prioritize safety and adhere to best practices to enjoy the benefits of your reloading activities.
