# Safety Instruction Guide for RCBS Progressive Press Shellplate #10

## Introduction

Thank you for choosing the RCBS Progressive Press Shellplate #10. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards and ensure a smooth operation.

## General Safety Guidelines

- Always use the shellplate in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from any obstructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shellplate for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only the RCBS standard shellholder to ensure compatibility with the shellplate.
- Do not exceed the recommended load limits specified by the manufacturer.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when operating the press.
- Ensure that all adjustments and settings are securely fastened before use.
- Avoid direct contact with moving parts during operation to prevent injury.
- If you experience any unusual noises or malfunctions, stop using the product immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the press is securely mounted on a stable surface.
- Remove any existing shellplate from the press.
- Align the RCBS Progressive Press Shellplate #10 with the mounting points on the press.
- Secure the shellplate in place according to the manufacturer's instructions.

### 2. Usage:

- Load the shellholder into the shellplate as per the compatibility requirements.
- Set up your work area with all necessary tools and materials within easy reach.
- Follow the specific reloading procedures as outlined in the press manual.
- Monitor the operation closely to ensure everything is functioning as intended.

## Disposal Instructions

- Dispose of the shellplate in accordance with local regulations regarding waste disposal.
- Do not dispose of the shellplate in household waste if it contains hazardous materials.
- Consider recycling the product if possible, or contact a local waste management facility for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of the RCBS Progressive Press Shellplate #10, please refer to the manufacturer's contact information provided with the product packaging or visit the official RCBS website for additional resources.

Thank you for prioritizing safety while using the RCBS Progressive Press Shellplate #10. Your adherence to these guidelines helps ensure a safe reloading experience.
