

PARTITION® 270 CALIBER (0.277) FLAT BASE SPITZER RIFLE BULLETS - NOSLER PARTITION 270 CALIBER (0.277") SPITZER FB 150GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

NOSLER® PARTITION 270 CALIBER (0.277") FLAT BASE SPITZER RIFLE BULLETS The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. FEATURES: Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER PARTITION 270 CALIBER \(0.277"\) SPITZER FB 150GR 50/BOX](#)
- Manufacturer: [NOSLER](#)

Safety Instruction Guide for Nosler Partition 270 Caliber Flat Base Spitzer Rifle Bullets

Introduction

Thank you for choosing the Nosler Partition 270 Caliber (0.277") Flat Base Spitzer Rifle Bullets. This guide provides essential safety information to ensure safe handling, usage, and disposal of this product. Please read this guide carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect bullets for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or firing firearms.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with the Nosler Partition 270 Caliber bullets before use.
- Do not exceed the recommended load data provided by the bullet manufacturer or reloading manual.
- Avoid using damaged or worn firearms, as they may pose a safety risk when firing ammunition.
- Always point the firearm in a safe direction when loading, unloading, or handling ammunition.
- Never attempt to modify or alter the bullets or their packaging.
- Be aware of your surroundings and ensure a safe shooting environment before firing.

Instructions for Installation and Usage

- To load the Nosler Partition bullets into your firearm:
 1. Ensure the firearm is pointed in a safe direction and the safety is engaged.
 2. Open the action and visually inspect the chamber to confirm it is clear.
 3. Carefully insert the bullet into the chamber or magazine as per your firearm's specifications.
 4. Close the action and disengage the safety when ready to fire.
- When firing:
 - Maintain a firm grip on the firearm.
 - Focus on your target and be aware of your backstop.
 - Follow all safe shooting practices and range rules.
- After firing:
 - Always keep the firearm pointed in a safe direction.
 - Eject any spent casings and check the chamber for any obstructions before reloading.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities or hazardous waste disposal services for proper disposal methods.

- Ensure that all spent casings are collected and disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Nosler Partition 270 Caliber bullets, please refer to the product packaging for contact details.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Nosler Partition 270 Caliber Flat Base Spitzer Rifle Bullets. Always prioritize safety and responsibility when handling ammunition and firearms. Thank you for your attention to these important safety practices.
