NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. **FEATURES:** Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER 30 CALIBER \(0.308"\) 165GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749004880
- Mfr. No.: 16330
- Ballistic Coefficient (G1): 0.410
- Brand Style: Partition
- Bullet Style: Spitzer
- Bullet Weight (Grains): -
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 165
- Sectional Density: 0.248
- Quantity: 50
- Delivery weight: 0.567kg
- UPC: 054041163309

Safety Instruction Guide for NOSLER PARTITION BULLETS

Introduction

Thank you for choosing NOSLER PARTITION BULLETS. These bullets are designed for superior performance in a variety of shooting applications. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 caliber (0.308") bullets before use.
- Do not exceed the recommended load data for your firearm.
- Inspect bullets for any signs of damage before use. Do not use damaged or deformed bullets.
- Always use bullets in accordance with the manufacturer's instructions and guidelines.
- Avoid using bullets in wet or humid conditions to prevent corrosion.
- Keep bullets away from heat sources and open flames.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you are in a safe and controlled environment.
- Gather all necessary equipment, including your firearm, reloading tools, and safety gear.

2. Loading the Bullets:

- Follow the manufacturer's reloading manual for precise measurements and load data.
- Carefully seat the bullet in the cartridge case, ensuring it is properly aligned.

3. Firing the Bullets:

- Always point the firearm in a safe direction when loading and firing.
- Use the firearm in a designated shooting range or location that complies with local laws.
- Be aware of your target and what lies beyond it.

4. PostUse:

- After use, clean your firearm according to the manufacturer's instructions.
- Store any unused bullets in their original packaging and in a secure location.

Disposal Instructions

- Dispose of any used or damaged bullets in accordance with local regulations.

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the NOSLER PARTITION BULLETS, please refer to the manufacturer's contact information provided with your product purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience while using NOSLER PARTITION BULLETS. Always prioritize safety and stay informed about product recalls and updates through official channels.
