

TRIM DIES - REDDING TRIM DIE 350 REM MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

Attributes

- Name: [REDDING TRIM DIE 350 REM MAG](#)

Safety Instruction Guide for Redding Trim Die 350 Rem Mag

Introduction

Thank you for choosing the Redding Trim Die 350 Rem Mag. This product is designed to help you file trim your cases safely and efficiently. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Redding Trim Die by following all instructions.
- Be aware of potential hazards when using the product, including sharp edges and the risk of injury from improper handling.
- Always keep the product out of reach of children and vulnerable individuals.
- Check for updates and recalls on the EU's Safety Gate platform to stay informed about product safety.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the die.
- Inspect the die for any damage before use. Do not use if damaged.
- Ensure the workspace is clean and organized to prevent accidents.
- Keep hands and other body parts away from moving parts during operation.
- Do not exceed the recommended usage limits specified in the product documentation.
- Use the die only for its intended purpose—trimming cases for the 350 Remington Mag cartridge.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Redding Trim Die.
- Securely mount the die in the press according to the manufacturer's instructions.
- Adjust the die to the correct height for trimming cases.

2. Usage:

- Place the brass case into the die, ensuring it is seated properly.
- Operate the press slowly and steadily to trim the case without forcing it.
- After trimming, remove the case and inspect it for any irregularities.
- Repeat the process as necessary for additional cases.

3. PostUsage:

- Clean the die after each use to maintain performance.
- Store the die in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in general waste if it contains hazardous materials. Follow local guidelines.

for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the appropriate EUbased contact points as provided by the manufacturer or retailer. Always ensure that you have the latest information regarding product safety and compliance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you success in your reloading endeavors.
