

# TRIM DIES - REDDING TRIM DIE 338 REM ULTRA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

# Safety Instruction Guide for Redding Trim Die 338 Remington Ultra Magnum

## Introduction

Thank you for choosing the Redding Trim Die 338 Remington Ultra Magnum. This product is designed to help you file trim your cases without unnecessary resizing, ensuring a more efficient reloading process. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any accidents or unsafe product conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Use protective eyewear when operating the die to prevent injury from debris.
- Ensure that the trimming operation is performed in a wellventilated area.
- Avoid wearing loose clothing or jewelry that could become entangled during operation.
- Do not exceed the recommended pressure settings when using the die.
- Keep hands clear of moving parts during operation to avoid injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is on a stable and secure surface.
- Attach the Redding Trim Die to the reloading press according to the manufacturer's instructions.
- Make sure the die is tightened securely to prevent any movement during operation.

### 2. Usage:

- Prepare your cases for trimming by cleaning and inspecting them.
- Insert the case into the die and ensure it is properly aligned.
- Operate the press slowly and steadily, applying consistent pressure.
- After trimming, inspect the cases to ensure they meet the desired length specifications.
- Store the die in a dry and secure location when not in use.

## Disposal Instructions

- Dispose of any damaged or worn parts according to local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal sites.

## Contact Information for Further Support

For any inquiries or support related to the Redding Trim Die, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your

Redding Trim Die 338 Remington Ultra Magnum. Thank you for your attention to safety!
