

# TRIM DIES - REDDING TRIM DIE 7MM REM ULTRA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

# TRIM DIES REDDING TRIM DIE 7MM REM ULTRA MAG Safety Instructions

## Introduction

Thank you for choosing the Redding Trim Die 7mm Remington Ultra Magnum. This product is designed to help you file trim your cases without unnecessary resizing. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions, precautions, and contact information for further support.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Use the product only for its intended purpose, which is to trim cases without resizing.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when operating the product.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp edges or moving parts.
- Risk of improper trimming leading to ammunition malfunctions.

- **Avoiding Hazards:**

- Always handle the die with care to avoid cuts or injuries.
- Ensure that your workspace is clean and free from obstructions before using the die.
- Do not force the die; it should operate smoothly under normal conditions.
- Store the die in a safe place when not in use to prevent accidental injury.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading press is securely mounted.
2. Carefully insert the Redding Trim Die into the press according to the manufacturer's instructions.
3. Tighten the die securely to prevent movement during use.

- **Usage:**

1. Prepare your cases by cleaning and inspecting them for damage.
2. Insert the case into the die and ensure it is properly aligned.
3. Operate the press smoothly, applying even pressure to trim the case.
4. After trimming, inspect the case to ensure it meets the desired specifications.
5. Clean the die after use to maintain its condition and functionality.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not throw the product into regular household waste. Instead, check for local recycling programs that accept metal products.
- Ensure that all components are disposed of safely to prevent potential hazards.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Redding Trim Die 7mm Remington Ultra Magnum, please refer to the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your Redding Trim Die. Always prioritize safety and consult the guidelines whenever necessary. Thank you for your attention to these important safety measures.
