Safety Instruction Guide for L.E. Wilson Adjustable Case Gage .375 H&H Mag

Introduction

Thank you for purchasing the L.E. Wilson Adjustable Case Gage for .375 H&H Magnum cartridges. This product is designed to ensure proper headspace for belted magnum cases. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always handle tools and equipment with care.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Do not use the product if it appears to be damaged or malfunctioning.
- In case of any doubts regarding the usage, consult a professional.

Specific Safety Precautions for Use

- **Headspace Measurement:** This gage is specifically designed for belted magnum cartridges. Ensure you are familiar with headspace concepts before use.
- **Resizing Limitations:** Minimize resizing at the shoulder to prolong the life of your cases. Frequent resizing can lead to premature wear and potential safety hazards.
- **Proper Storage:** Store the gage in a dry and safe location to prevent damage.
- **Personal Protective Equipment:** Use appropriate safety glasses when using related tools to protect your eyes from debris.
- **Environment:** Use the gage in a clean, welllit environment to avoid accidents and ensure accurate measurements.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure the workspace is clean.
- Inspect the case gage for any visible damage.

2. Using the Gage:

- Place the case gage on a flat, stable surface.
- Insert the cartridge case into the gage, ensuring it is fully seated.
- Check the headspace reading against your specifications.
- If the case does not fit properly, it may require resizing.

3. PostUse Care:

- Clean the gage after use to remove any debris or residue.
- Store the gage in its protective case or designated storage area.

Disposal Instructions

- When the product reaches the end of its life cycle, dispose of it in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury to others.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the L.E. Wilson Adjustable Case Gage, please reach out to your local retailer or visit the manufacturer's website for support.

By following these guidelines, you can ensure safe and effective use of the L.E. Wilson Adjustable Case Gage. Thank you for your attention to these important safety instructions.
