# Safety Instruction Guide for L.E. Wilson Adjustable Case Gage 7mm Rem Mag

## Introduction

Thank you for choosing the L.E. Wilson Adjustable Case Gage for 7mm Remington Magnum. This product is designed to assist in ensuring proper headspace and case sizing for belted magnum cartridges. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the case gage with care to avoid injury.
- Ensure that the gage is used in a welllit and clean workspace.
- Keep the gage out of reach of children and vulnerable individuals.
- Regularly inspect the gage for any damage or wear that could affect its performance.
- Use the product only for its intended purpose.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use may lead to inaccurate measurements, which can result in unsafe ammunition.
  - Sharp edges may pose a risk of cuts or abrasions.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for use.
  - Do not force the gage into the case; it should fit snugly without excessive pressure.
  - If you notice any damage or irregularities, discontinue use immediately and consult a professional.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals who are knowledgeable about ammunition reloading. It is not suitable for children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the workspace is clean and free of obstructions.
- Gather all necessary tools and equipment before beginning.

### 2. Using the Adjustable Case Gage:

- Place the case gage on a stable surface.
- Insert the case you wish to measure into the gage.
- Ensure that the case is seated properly against the shoulder of the gage.
- Check the reading to ensure it meets the required specifications for headspace.
- If resizing is necessary, make adjustments to minimize resizing at the shoulder to prolong case life.

### 3. PostUse Care:

- Clean the gage after each use to remove any debris or residue.

- Store the gage in a protective case or pouch to prevent damage.

## **Disposal Instructions**

- Dispose of the product responsibly and in accordance with local regulations.
- If the gage is no longer usable, consider recycling where possible.
- Do not dispose of the gage in household waste if it is made from materials that can be recycled.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the L.E. Wilson Adjustable Case Gage, please refer to the contact information provided with your product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of the L.E. Wilson Adjustable Case Gage for 7mm Remington Magnum. Thank you for prioritizing safety in your reloading practices.
