

# BONDHUS® BALLDRIVER® HEX SETS - BONDHUS 9-PIECE METRIC HEX SCREWDRIVER SET - 1.5MM-10MM

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Fixed Blade Sets](#)

These Bondhus Balldriver screwdrivers make working with hex head fasteners much faster and easier than using hex keys. The strong thermoplastic handles have a molded-on rubber comfort grip and are color coded for metric/standard. We have found ourselves putting the hex key sets in the range box and using these screwdrivers on the bench at home.

# Safety Instruction Guide for BONDHUS® BALLDRIVER® HEX SETS

## Introduction

Thank you for choosing the BONDHUS® Balldriver® Hex Sets. These tools are designed to make working with hex head fasteners easier and more efficient. This guide provides important safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the work area is clean, welllit, and free from clutter to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the screwdrivers.
- Keep the tools out of reach of children and pets to prevent accidental injury.
- Regularly inspect the screwdrivers for any signs of wear or damage. Do not use damaged tools.
- Store the screwdrivers in a dry place to prevent rust and deterioration.
- Follow all local regulations regarding tool use and safety.

## Specific Safety Precautions for Use

- Avoid using excessive force when turning screws to prevent stripping the fasteners or damaging the tool.
- Do not use the screwdrivers for any purpose other than intended, such as prying or chiseling.
- Ensure that the correct size of the screwdriver is used for the corresponding fastener to avoid slippage and injury.
- Do not use the screwdrivers in wet or damp conditions to prevent electrical hazards.
- If you experience any discomfort or pain while using the tools, stop immediately and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Selecting the Correct Screwdriver:

- Identify the size of the hex fastener you will be working with.
- Choose the corresponding screwdriver from the set (sizes range from 1.5MM to 10MM).

### 2. Using the Screwdriver:

- Grip the thermoplastic handle firmly, ensuring your hand is positioned away from the fastener.
- Insert the screwdriver tip into the hex socket of the fastener.
- Turn the screwdriver clockwise to tighten and counterclockwise to loosen.

### 3. Cleaning and Maintenance:

- After use, wipe the screwdriver with a clean, dry cloth to remove any dirt or debris.
- Store the screwdrivers in their designated case or holder to keep them organized and protected.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for tool disposal.
- If the product is no longer usable, consider recycling the materials where facilities are available.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the BONDHUS® Balldriver® Hex Sets, please refer to the manufacturer's website or customer service channels.

Please follow these guidelines to ensure your safety and the longevity of your BONDHUS® Balldriver® Hex Sets. Thank you for your attention to these important safety instructions.
