

# WILSON PRIMER POCKET REAMERS - L.E. WILSON SMALL RIFLE PRIMER CRIMP REAMER

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

This tool is used in the Wilson Case Trimmer to remove the primer pocket crimp on military cases. The finished result is a nice rounded entry for primers. This tool will not distort the case head as some tools may. Specify large or small primer pockets when ordering. Not for uniforming primer pockets.

# Safety Instruction Guide for WILSON PRIMER POCKET REAMERS

## Introduction

Thank you for choosing the WILSON PRIMER POCKET REAMERS by L.E. WILSON. This tool is designed to safely and effectively remove the primer pocket crimp on military cases, providing a rounded entry for primers without distorting the case head. This guide outlines essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before each use.
- Follow all instructions carefully to avoid accidents and injuries.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the reamer.
- Avoid placing fingers near the cutting edges of the tool during operation.
- Do not use excessive force when operating the tool; let it do the work.
- Ensure that the case is securely held in place before using the reamer to prevent slipping.
- Do not use the tool if you are tired or under the influence of substances that may impair your judgment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have a suitable case trimmer compatible with the WILSON PRIMER POCKET REAMERS.

### 2. Installation:

- Attach the WILSON PRIMER POCKET REAMER securely to the case trimmer according to the manufacturer's instructions.
- Verify that the tool is properly aligned and tightened to prevent movement during use.

### 3. Usage:

- Insert the military case into the case trimmer.
- Activate the trimmer and allow the reamer to remove the primer pocket crimp.
- Check the finished result to ensure a smooth and rounded primer pocket.
- If necessary, repeat the process for additional cases.

### 4. PostUse:

- Clean the tool after each use to remove any residue or debris.
- Store the tool in a safe and dry location, out of reach of children.

## **Disposal Instructions**

- Dispose of any worn or damaged tools in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the WILSON PRIMER POCKET REAMERS, please reach out to the designated EU contact point for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your WILSON PRIMER POCKET REAMERS. Thank you for your attention to safety, and happy reloading!
