

FOREND BENCHREST ADAPTOR - SINCLAIR INTERNATIONAL BENCHREST SHOOTING REST SWIVEL MOUNT ADAPTER

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

This benchrest forend adaptor quickly converts almost any stock into a benchrest stock. No modifications to your stock are necessary. Simply insert the appropriate screw (included) through the forend adaptor and thread it into the front sling stud hole. The side plates adjust inward to configure to the forend design of your rifle. Cork material protects the stock finish. The 3 inches wide bottom plate is made of solid UHMW, which has a low coefficient of friction. Accepts forend widths from one and one fourth inches to two and three eighth inches.

FOREND BENCHREST ADAPTOR SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FOREND BENCHREST ADAPTOR from Sinclair International. This product is designed to enhance your shooting experience by converting almost any stock into a benchrest stock without the need for modifications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the rifle is unloaded before installing or adjusting the adaptor.
- Use the product only for its intended purpose as described in this manual.
- Keep the adaptor out of reach of children and unauthorized users.
- Inspect the adaptor regularly for signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the screw provided with the adaptor is securely tightened to prevent accidental detachment during use.
- Adjust the side plates properly to fit the forend design of your rifle; improper adjustment may lead to instability.
- Do not exceed the recommended forend width of 2.375 inches (two and three eighths inches).
- Avoid using the adaptor in wet or slippery conditions to maintain a secure grip.
- Always use the adaptor on a stable surface when shooting to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the screw provided with the adaptor.

2. Installation:

- Locate the front sling stud hole on your rifle.
- Insert the appropriate screw through the forend adaptor.
- Thread the screw into the front sling stud hole until secure.
- Adjust the side plates of the adaptor inward to fit the forend design of your rifle.

3. Usage:

- Once installed, ensure the adaptor is secure before taking any shots.
- Position your rifle on the benchrest securely, ensuring stability.
- Maintain a safe shooting posture and be aware of your surroundings.

Disposal Instructions

- Dispose of the FOREND BENCHREST ADAPTOR in accordance with local environmental regulations.
- Do not dispose of the adaptor with general household waste.

- Consider recycling options for the materials, if applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the FOREND BENCHREST ADAPTOR, please refer to the manufacturer's website or customer support resources available. Ensure to have your product details ready for assistance.

Thank you for prioritizing safety and enjoying your shooting experience with the FOREND BENCHREST ADAPTOR.
