

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS MATCHKING 6.5MM (.264") 142GR HOLLOW POINT BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

## Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 142GR HOLLOW POINT BOAT TAIL 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749004963
- Mfr. No.: 1742
- Ballistic Coefficient (G1): 0.626

# MATCHKING 6.5MM Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets from Sierra Bullets. These precisionengineered bullets are designed for target shooting and offer exceptional accuracy. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for the 6.5mm caliber.
- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Report unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition before use.
- Inspect bullets for any visible defects or damage before loading.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using bullets in firearms that have not been properly maintained.
- Do not attempt to modify or alter the bullets in any way.
- Always follow the manufacturer's instructions for loading and firing.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Check that the firearm is unloaded.
- Open the magazine or chamber of the firearm.
- Carefully insert the MATCHKING 6.5MM bullets into the magazine or chamber as per the manufacturer's guidelines.
- Ensure that the bullets are seated properly.

### 2. Firing the Bullets:

- Ensure your shooting area is safe and free of obstructions.
- Aim the firearm in a safe direction, away from people and property.
- Follow the manufacturer's instructions for firing the firearm.
- After firing, always check the firearm to ensure it is safe before handling.

### 3. PostUse Care:

- Clean the firearm according to the manufacturer's instructions after use.
- Store any unused bullets in a secure location.

## **Disposal Instructions**

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidelines on safe disposal of ammunition.
- Always ensure that bullets are disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact your local dealer.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and enjoyable shooting experience with your MATCHKING 6.5MM Bullets.
