

TRIPLE SHOT X® 7MM CALIBER (.284") RIFLE BULLETS - TSX 7MM (0.284") SOLID COPPER FLAT BASE 160GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Attributes

- Name: [TSX 7MM \(0.284"\) SOLID COPPER FLAT BASE 160GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749005008
- Mfr. No.: 30291
- Ballistic Coefficient (G1): 0.392

Safety Instruction Guide for TRIPLE SHOT X® 7MM CALIBER (.284") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 7MM CALIBER (.284") RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand all safety guidelines before using the bullets.

General Safety Guidelines

- Ensure that all users of this product are aware of its potential hazards.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Always handle bullets with care, treating them as if they are live ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- Ensure that your firearm is compatible with 7MM caliber bullets before use.
- Do not exceed the recommended velocities for loading the bullets to prevent damage or accidents.
- Avoid using bullets that show signs of damage or corrosion.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of ammunition.

Instructions for Installation and Usage

- **Installation:**
 - Confirm that your firearm is unloaded before installing bullets.
 - Carefully load bullets into the magazine according to the manufacturer's instructions for your specific firearm model.
- **Usage:**
 - Always point the firearm in a safe direction when loading and unloading.
 - Use only in designated shooting ranges or areas where it is legally permitted.
 - Follow all safety protocols and instructions provided with your firearm.
 - After use, ensure that all spent casings and unused bullets are safely stored or disposed of.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; instead, take them to a licensed hazardous waste disposal facility.
- Ensure that all spent casings are collected and disposed of properly to avoid environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the TRIPLE SHOT X® 7MM CALIBER (.284") RIFLE BULLETS, please refer to the manufacturer's contact points for support.

This safety instruction guide is designed to provide you with the necessary information to use the TRIPLE SHOT X® 7MM CALIBER bullets safely and effectively. Please keep this document for future reference and ensure all users are informed of these safety guidelines.
