# **Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 7.62X39MM FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the Hornady Custom Grade 2Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this manual carefully before use to maximize safety and performance.

## **General Safety Guidelines**

- Ensure that you are familiar with the laws and regulations concerning firearms and reloading in your country or region.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Do not use the die set for any purpose other than its intended use.

## **Specific Safety Precautions for Use**

- Only use the die set with the specified cartridge: 7.62 x 39 mm Russian.
- Ensure that your reloading press is compatible with the die set.
- Avoid overtightening the dies in the press, as this may cause damage.
- Follow the manufacturer's recommended settings for die adjustments to prevent accidents.
- Keep your workspace clean and organized to avoid accidents during the reloading process.
- Do not leave reloading components unattended, especially in the presence of children or pets.
- In case of any malfunction or if the die set does not function as expected, cease use immediately and consult a qualified technician.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Remove the die set from its packaging and inspect for any damage.
- Clean the dies with a suitable solvent to remove any manufacturing residues.
- Securely mount the fulllength sizing die into your reloading press.
- Adjust the die according to the manufacturer's instructions, ensuring it is properly aligned with the shell holder.
- Install the bullet seating die in the same manner, following the specific instructions provided.

### **2. Usage:**

- Prepare your brass cases by cleaning and inspecting them for defects.
- Lubricate the cases lightly before resizing to prevent sticking.
- Insert the case into the sizing die and operate the press to resize the case.
- After resizing, remove the case and inspect it for proper dimensions.
- Proceed to the bullet seating process by following the specific adjustments for the bullet seating die.
- Ensure that each cartridge is properly seated and crimped according to your specifications.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the die set responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of reloading components in regular household waste; check for recycling options or hazardous waste facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the Hornady Custom Grade 2Die Set, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for prioritizing safety in your reloading practices. Enjoy your reloading experience with the Hornady Custom Grade 2Die Set!
