# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 6.5MM CREEDMOOR FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the operation of the die set before use.
- Store the die set in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Ensure your workspace is clean, dry, and welllit to avoid accidents.
- Never leave the die set unattended while in use.
- Keep powder and primers away from heat sources and open flames.
- Use only the specified cartridge type (6.5 Creedmoor) with the die set.
- Be cautious of the potential for accidental discharge when handling firearms and ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the die set in a reloading press according to the manufacturer's instructions.
- Ensure that the sizing die is properly adjusted to achieve the desired neck tension.
- Install the bullet seating die, making sure it is aligned correctly for accurate bullet placement.

### 2. Usage:

- Start by resizing the brass cases with the full length sizing die.
- Follow up with the bullet seating die to seat the bullets at the desired depth.
- Regularly check for proper alignment and function during the reloading process.
- Keep a log of your reloading activities, including the type of powder used and the number of rounds loaded.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local waste disposal regulations.
- Do not dispose of ammunition or reloading materials in regular household waste. Follow local guidelines for hazardous materials disposal.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the Hornady Custom Grade 2Die set, please reach out to your local distributor or consult the official Hornady website for more information.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and stay informed about best practices in ammunition reloading.
