# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 300 WSM FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is reloading 300 WSM (Winchester Short Mag) cartridges.
- Always handle reloading equipment with care to avoid accidents and injuries.
- Store the die set in a safe and dry place, away from children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading ammunition.
- Keep the work area clean and organized to prevent accidents.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Ensure that the reloading area is wellventilated to avoid inhaling any harmful fumes or dust.
- Do not exceed the recommended load data provided by reliable sources. Overloading can cause dangerous malfunctions.
- Keep all components, including primers and powders, stored securely and out of reach of children.
- Avoid distractions while reloading. Focus on the task at hand to minimize the risk of accidents.
- If you are new to reloading, seek guidance from experienced reloaders or training courses.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Clean the reloading press before installation.
- Follow the manufacturer's instructions to securely mount the die set onto the press.
- Ensure that the sizing die is properly adjusted for the desired cartridge length.

### 2. Using the Sizing Die:

- Insert the brass case into the sizing die.
- Use the reloading press to apply pressure and resize the case.
- Check the case dimensions after resizing to ensure proper fit.

### 3. Using the Bullet Seating Die:

- After resizing, insert the bullet into the case mouth.
- Adjust the bullet seating die according to the desired overall cartridge length.
- Use the reloading press to seat the bullet firmly in the case.

### 4. Final Inspection:

- Inspect each completed cartridge for proper seating and overall quality.
- Ensure that no debris or foreign objects are present in the cartridge.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away ammunition components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Hornady Custom Grade 2Die Set, please reach out to your local retailer or Hornady's customer support. Ensure that you have the product details handy for efficient assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Hornady Custom Grade 2Die Set. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing Hornady, and happy reloading!
