FULL LENGTH DIE SETS 7MM REMINGTON MAGNUM FULL LENGTH DIE SET Safety Instructions

Introduction

Thank you for choosing the Redding FL Die Sets for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the Full Length Die Set for 7mm Remington Magnum. Please read and follow these instructions carefully to minimize risks associated with the use of this product.

General Safety Guidelines

- Always store the die set in a safe place, out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean and organized to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading components.
- Familiarize yourself with the reloading process and equipment before use.
- Always follow the manufacturer's instructions for any additional components used in conjunction with the die set.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the die set is compatible with your reloading press and the specific cartridge being used.
- Inspect the die set for any visible damage before each use. Do not use if damaged.
- Keep fingers and hands clear of moving parts during operation.
- Avoid distractions while reloading to maintain focus.
- Do not exceed recommended load limits for the cartridge being reloaded.
- Use proper techniques for measuring powder and seating bullets to avoid overcharges or undercharges.

Instructions for Installation and Usage

1. Installation of the Die Set

- Remove the die set from its packaging and inspect for any damage.
- Securely mount the sizing die into the reloading press according to the manufacturer's instructions.
- Adjust the die to achieve the desired sizing and operation.
- Install the seating die in the same manner, ensuring it is correctly positioned.

2. Usage of the Die Set

- Begin by preparing your brass cases, ensuring they are clean and free of debris.
- Follow the reloading manual specific to the 7mm Remington Magnum for recommended powder charges and bullet types.
- Use the sizing die to resize the brass cases before loading.
- Once resized, use the seating die to properly seat the bullets into the cases.
- After reloading, visually inspect each cartridge to ensure proper assembly.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on the safe disposal of hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the use of the Full Length Die Set, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safer and more efficient reloading experience. Thank you for your attention to safety and for choosing Redding products.
