# FULL LENGTH DIE SETS 7X57MM MAUSER FULL LENGTH DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the Redding FL Die Sets for your reloading needs. This guide provides important safety instructions to ensure the safe use of the product. Please read and understand all instructions before using the die set.

## General Safety Guidelines

- Always handle all reloading equipment with care.
- Ensure that you are familiar with the die set and its components before use.
- Keep the die set out of reach of children and pets.
- Use the die set only for the intended purpose, which is to reload 7 mm Mauser cartridges.
- Regularly check the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Ensure that your workspace is welllit and free of clutter.
- Avoid distractions while reloading. Focus on the task at hand.
- Do not attempt to modify the die set in any way.
- Store the die set in a secure location when not in use.
- Be aware of the potential hazards associated with handling gunpowder and primers.

## Instructions for Installation and Usage

### 1. Setup:

- Carefully unpack the die set and inspect all components.
- Ensure you have the necessary tools for installation, including a reloading press.

### 2. Installation:

- Install the full length sizing die into the reloading press according to the manufacturer's instructions.
- Ensure the die is securely tightened to prevent any movement during operation.
- Install the seating die in the same manner.

### 3. Reloading Process:

- Begin by preparing your brass cases. Clean and inspect them for damage.
- Resize the brass cases using the full length sizing die.
- Follow the recommended powder charge and bullet seating depth for the 7 mm Mauser cartridges.
- Use the seating die to seat the bullets to the desired depth.

### 4. Final Checks:

- Inspect each completed round for proper seating and overall quality.
- Store completed ammunition in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not throw away any hazardous materials in regular trash. Check for local hazardous waste disposal options.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Redding FL Die Sets, please refer to the manufacturer's contact details provided on the packaging or their official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding FL Die Sets. Always prioritize safety and remain informed about best practices in reloading.
