# **Safety Instruction Guide for FULL LENGTH DIE SETS 7MM08 REMINGTON FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the FULL LENGTH DIE SETS 7MM08 REMINGTON FULL LENGTH DIE SET by REDDING. This product is designed for reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure proper use and to minimize risks associated with the product.

## **General Safety Guidelines**

- Always handle the die set with care and keep it out of reach of children.
- Ensure your workspace is clean, organized, and free from distractions.
- Use protective eyewear and gloves when operating the die set to protect against potential injuries.
- Store the die set in a secure location to prevent unauthorized access.
- Regularly inspect the die set for wear and damage before use.

## **Specific Safety Precautions for Use**

- Ensure that the die set is compatible with your reloading equipment and the specific cartridge (7 mm 08 Remington).
- Only use the die set for its intended purpose; do not modify the equipment.
- Follow the manufacturer's instructions for setup and use to avoid accidents.
- Keep your hands and body away from moving parts during operation.
- Do not exceed the recommended load limits when reloading ammunition.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Carefully unpack the die set and check for any visible damage.
- Select the appropriate reloading press for use with the die set.
- Securely attach the full length sizing die to the press following the manufacturer's instructions.
- Adjust the die according to the specifications provided in the product manual.

### **2. Usage:**

- Ensure that the workspace is clear of any unnecessary items.
- Prepare the brass cases by cleaning and inspecting them for defects.
- Insert the brass case into the sizing die and operate the press to resize the case.
- After resizing, switch to the seating die to seat the bullet into the case.
- Follow the recommended procedures for measuring and verifying the load before final assembly.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw the die set into regular waste. Check for recycling options in your area.
- Ensure that all hazardous materials, such as spent primers and powder residues, are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the FULL LENGTH DIE SETS 7MM08 REMINGTON FULL LENGTH DIE SET, please reach out to the appropriate EU contact point.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your FULL LENGTH DIE SETS 7MM08 REMINGTON FULL LENGTH DIE SET. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for choosing REDDING, and happy reloading!
