# **FULL LENGTH DIE SETS 300 WSM FULL LENGTH DIE SET Safety Instructions**

## **Introduction**

Thank you for choosing the Redding FL Die Sets. This guide provides essential safety instructions to ensure the safe and effective use of your Full Length Die Set. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Always ensure that the die set is used in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before use. Do not use if damaged.
- Store the die set in a safe, dry place to prevent corrosion and damage.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the die set.

## **Specific Safety Precautions for Use**

- Ensure that the die set is compatible with the 300 WSM cartridge to avoid malfunctions.
- Use the die set only for its intended purpose—reloading ammunition.
- Avoid wearing loose clothing or jewelry that could become caught in machinery during use.
- Do not exceed the recommended load specifications for the 300 WSM cartridge.
- Always follow proper reloading techniques to minimize risks associated with ammunition loading.

## **Instructions for Installation and Usage**

- **Installation:**

1. Ensure that your reloading press is securely mounted.
2. Insert the full length sizing die into the press and tighten it according to the manufacturer's guidelines.
3. Set up the seating die in the same manner, ensuring it is properly aligned.

- **Usage:**

1. Begin by preparing your cartridge cases according to standard reloading practices.
2. Lubricate the cases before sizing to prevent sticking in the die.
3. Place the lubricated case into the press and pull the handle to size the case fully.
4. After sizing, proceed to the seating die to seat the bullet according to your specifications.
5. Always doublecheck each round for consistency and safety before use.

## **Disposal Instructions**

- Dispose of any damaged or unused components of the die set in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the use of your Full Length Die Set, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these guidelines.
