## **8X57MM MAUSER FULL LENGTH DIE SET Safety**

### **Instruction Guide**

#### **Introduction**

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions, general guidelines, and specific precautions to ensure the safe use of this product. Please read this document carefully before using the die set.

#### **General Safety Guidelines**

- Ensure that you are familiar with the reloading process and have adequate knowledge of the equipment.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and hearing protection.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Read and follow all manufacturer instructions and guidelines.
- Always use the die set in a wellventilated area to avoid inhaling any harmful substances.
- Regularly inspect the die set for signs of wear or damage before each use.
- Do not modify the die set or use it for purposes other than intended.

#### **Specific Safety Precautions for Use**

- Handle all ammunition components with care to avoid accidental discharge.
- Ensure that the workspace is clean and organized to prevent accidents.
- Avoid distractions while reloading, as this can lead to mistakes.
- Always doublecheck measurements and adjustments before proceeding with reloading.
- Store reloading components, including powders and primers, in their original containers and away from heat sources.
- If you experience any difficulties during the reloading process, stop and reassess the situation before continuing.

#### **Instructions for Installation and Usage**

##### **1. Unpacking the Die Set**

- Carefully remove the die set from the packaging.
- Inspect all components to ensure they are intact and free from damage.

##### **2. Setting Up the Die Set**

- Securely install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired size setting, ensuring it is locked in place.

##### **3. Using the Full Length Sizing Die**

- Insert the cartridge case into the die and operate the press to size the case.
- Check the sized case for proper dimensions and fit.

##### **4. Using the Bullet Seating Die**

- Install the bullet seating die into the reloading press following the manufacturer's guidelines.
- Adjust the seating depth according to your specifications.
- Place the bullet on top of the charged case and operate the press to seat the bullet.

## 5. Final Checks

- After reloading, inspect each cartridge for proper assembly and function.
- Store completed cartridges in a safe and organized manner.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local authorities for guidance on the safe disposal of hazardous materials.

## Contact Information for Further Support

For any questions regarding the safety or use of the Hornady Custom Grade 2Die set, please refer to the manufacturer's customer support resources available on their official website or product documentation.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and consult additional resources if needed.
