# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 300 WINCHESTER MAGNUM FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document thoroughly before using the die set to prevent accidents and ensure a successful reloading experience.

## General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, organized, and free of distractions.
- Wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Keep the die set out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in close proximity while reloading.
- Regularly inspect the die set for signs of wear or damage. Do not use damaged equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die set may contain sharp edges or points that can cause cuts or punctures.
  - Improper use or adjustments may lead to misfires or accidents during reloading.
- **Avoiding Hazards:**
  - Always ensure the die set is securely attached to the reloading press before use.
  - Do not attempt to modify or alter the die set in any way.
  - Follow proper reloading procedures to avoid overcharging or undercharging cartridges.
  - Use only compatible components with the die set to prevent malfunctions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Install the full length sizing die into the press by threading it into the die holder until snug. Do not overtighten.
- Install the bullet seating die in the same manner, ensuring it is set to the desired bullet seating depth.
- Adjust the dies according to the manufacturer's instructions for optimal performance.

### 2. Usage:

- Before starting the reloading process, review all safety guidelines.
- Prepare your workspace by organizing materials and ensuring proper ventilation.
- Follow the specific reloading data for the 300 Winchester Magnum cartridge, ensuring that all components are compatible.
- Begin the reloading process by resizing the brass cases using the full length sizing die.
- After resizing, proceed to seat the bullets using the bullet seating die.
- Regularly check for proper alignment and function during the reloading process.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the die set in regular household waste if it is damaged. Contact a local hazardous waste facility for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's official contact points. Check the product packaging or the manufacturer's website for the appropriate contact information.

This safety instruction guide aims to ensure that you can safely and effectively use the Hornady Custom Grade 2Die set. Adhering to these guidelines will help you enjoy a successful reloading experience while minimizing risks. Thank you for your commitment to safety.
