Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 243 WINCHESTER FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions and precautions to ensure safe and effective use of your product. Please read all instructions carefully before using the die set.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that you are familiar with the operation of your reloading equipment before use.
- Use the die set only for its intended purpose as specified by the manufacturer.
- Keep the die set out of reach of children and unauthorized users.
- Store the dies in a dry, safe place when not in use.
- Regularly inspect your die set for signs of wear or damage. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding reloading and firearm usage.

Specific Safety Precautions for Use

- Use proper eye protection while reloading to prevent injury from debris or accidental discharge.
- Ensure that your workspace is clean and organized to avoid accidents.
- Do not use the die set if you are under the influence of drugs or alcohol.
- Always read and follow the reloading manual for your specific cartridge.
- Use only recommended components for reloading to avoid dangerous situations.
- Keep your hands dry and free from oils or lubricants when handling the dies.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted.
- Insert the full length sizing die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.
- Insert the bullet seating die in the same manner.

2. Usage:

- Adjust the sizing die to achieve the desired case length and neck tension.
- Follow the recommended load data for the 243 Winchester cartridge.
- Use the bullet seating die to seat bullets to the specified depth.
- Always check the first few rounds for proper sizing and seating before continuing with the batch.

Disposal Instructions

- Dispose of any unused or excess reloading components according to local regulations.
- Do not dispose of hazardous materials in regular trash. Check for local hazardous waste disposal options.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or additional support related to your Hornady Custom Grade 2Die set, please consult the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety guidelines. Your safety is our priority, and following these instructions will help ensure a safe reloading experience.
