Safety Instruction Guide for Redding 6.5x55mm Swede Full Length Die Set

Introduction

Thank you for choosing the Redding 6.5x55mm Swede Full Length Die Set. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the die set is used only for its intended purpose: reloading 6.5x55mm Swedish Mauser cartridges.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any signs of damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are familiar with all components of the die set before beginning the reloading process.
- Do not exceed the recommended load specifications for the 6.5x55mm cartridge.
- Avoid distractions while using the die set to maintain focus and precision.
- Use the die set in a wellventilated area to minimize exposure to any fumes or dust.
- Store the die set in a dry and secure location when not in use to prevent damage and unauthorized access.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Gather all necessary tools and materials, including the die set, shell holder, and appropriate reloading components.

2. Installation:

- Begin by removing the die set from its packaging.
- Install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to achieve the desired sizing depth as specified in the reloading manual.

3. Using the Full Length Sizing Die:

- Insert the 6.5x55mm cartridge case into the shell holder.
- Pull the press handle to size the cartridge case fully.
- Inspect the sized case to ensure it meets specifications.

4. Using the Seating Die:

- Replace the sizing die with the seating die in the reloading press.

- Adjust the seating die to the desired depth for bullet seating.
- Insert a bullet into the top of the cartridge case and pull the press handle to seat the bullet.

5. Final Inspection:

- After reloading, inspect each cartridge for proper seating and overall condition.
- Store the completed cartridges in a safe and secure manner.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not throw the die set in regular household waste. Check for recycling options or designated disposal sites.
- Ensure that all reloading materials are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Redding 6.5x55mm Swede Full Length Die Set, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Your safety is our priority.
