FULL LENGTH DIE SETS 375 H&H MAGNUM

FULL LENGTH DIE SET Safety Instructions

Introduction

Thank you for purchasing the Redding FL Die Sets designed for the 375 H&H Magnum cartridge. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that the die set is used only by individuals who are familiar with reloading procedures and firearms safety.
- Store the die set in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Regularly inspect the die set for any signs of damage or wear before each use.
- Follow all manufacturer instructions and guidelines provided with the die set.

Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhalation of any dust or fumes generated during the reloading process.
- Keep the workspace clean and organized to prevent accidents and ensure efficient operation.
- Do not exceed the recommended load limits for the 375 H&H Magnum cartridge as specified in reliable reloading manuals.
- Avoid distractions while reloading. Focus on the task at hand to prevent errors.
- Be aware of your surroundings and ensure that you are in a safe environment when handling ammunition and reloading equipment.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Secure the sizing die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position to ensure proper sizing of the cartridge.
- Insert the seating die into the press and adjust it for accurate bullet seating.

2. Reloading Procedure:

- Begin by cleaning and inspecting your brass cases to ensure they are free from defects.
- Lubricate the cases as recommended to prevent sticking in the sizing die.
- Size the cases using the fulllength sizing die, ensuring they are properly resized for chambering.
- Measure powder charges carefully using a reliable scale and follow safe reloading practices.
- Seat the bullets using the seating die, ensuring they are seated to the correct depth as specified in your reloading manual.

3. PostUse Care:

- Clean the die set after use to remove any residue and prevent corrosion.
- Store the die set in its original packaging or a dedicated storage container to protect it from damage.

Disposal Instructions

- Dispose of any damaged or unusable reloading components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, check with local authorities for proper disposal methods for metal components.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Redding FL Die Sets, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your FULL LENGTH DIE SETS 375 H&H MAGNUM FULL LENGTH DIE SET. Always prioritize safety and adhere to best practices when handling firearms and reloading equipment.
