Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 308 WINCHESTER FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade 2Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read and understand these guidelines before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Use the die set only for the intended purpose as described in this manual.
- Wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Inspect the die set regularly for signs of wear or damage. Do not use damaged equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your work area is clean, dry, and free from distractions.
- Always verify that the correct cartridge is being used with the die set.
- Avoid using excessive force when adjusting the dies. Make adjustments gradually.
- Do not leave the reloading process unattended. Stay focused on the task at hand.
- Keep all components, including primers and powder, away from heat sources and open flames.
- Be aware of the potential hazards associated with handling ammunition and reloading materials.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Start by cleaning the die set with a soft cloth to remove any manufacturing residues.
- Secure the sizing die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your cartridge, ensuring proper alignment with the press.
- Install the bullet seating die in the same manner, ensuring it is securely fastened.

2. Using the Die Set:

- Begin by resizing the brass case using the full length sizing die.
- Follow the recommended procedures for adding powder and seating bullets as per your reloading manual.
- Always doublecheck measurements and settings before proceeding with reloading.

3. PostUsage Care:

- After use, clean the die set to remove any residue or debris.
- Store the die set in a secure, dry location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials, such as primers or powder, in regular waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Hornady Custom Grade 2Die Set, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to these important guidelines.
