# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 223 REMINGTON FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set. This product is designed for precision reloading of 223 Remington cartridges. To ensure your safety and the safe use of this product, please read and follow these instructions carefully. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with essential safety information.

## General Safety Guidelines

- Always read the product manual before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any malfunction, stop using the product immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Ensure your workspace is clean and free from distractions.
- Use the die set only with compatible cartridges (223 Remington).
- Avoid overtightening the dies during installation, as this may lead to damage.
- Handle all components with care to avoid injury.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Do not store reloading components in areas accessible to children or pets.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any previous dies from the press.
- Install the fulllength sizing die into the press by screwing it in until it is snug. Do not overtighten.
- Install the bullet seating die in the same manner.
- Adjust the dies according to the manufacturer's instructions for optimal performance.

### 2. Usage:

- Begin by preparing your brass cases. Clean them thoroughly before use.
- Insert a brass case into the sizing die and operate the press to resize it.
- After resizing, check the case for proper dimensions and ensure it fits the chamber of your firearm.
- Move to the bullet seating die to insert the bullet into the case. Adjust the seating depth as needed.
- Always check each loaded round for consistency and safety before use.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these safety instructions, you can enjoy a safe and efficient reloading experience with your Hornady Custom Grade 2Die set. Thank you for prioritizing safety in your reloading activities.
